	<p><b><u>Review of Section 17</u></b></p> <p>CW circulated report and associated papers to members.</p> <p>CW updated the group with current work taking place around section 17 across the partnership. CW expressed it is important further work could be done to support and re-confirm what the partnerships priorities would be in relation to S17</p> <p>It was discussed that possible pilot training programme be available for front line staff and needs to be identified.</p> <p>The group discussed which unit would be best used as pilot. Pros and cons for a pilot to be held with housing or with planning was undertaken by the group. It was agreed Planning would be most effective due to the existing legislation surrounding the Housing sector and how there might be some conflict with the S17 responsibilities.</p> <p>CW to begin work on pilot proposal and involve key members and external teams to start a working group to steer this pilot scheme.</p> <p>MH highlighted health partner were missing due to future</p>
